ROSEMONT NOTICE

April 2019

Special Rosemont Citizens Association Meeting

When: Monday, April 29 at 6:30 pm

**Where: LENA'S WOOD-FIRED PIZZA
401 East Braddock Road**

Jason Yates (who recently was named a "Living Legend" of Alexandria) and Lena's Wood-fired Pizza have generously agreed to host the next gathering of the Rosemont Citizens Association, along with a sampling of the menu.

Please plan to join us at 6:30pm on Monday, April 29, but RSVPs are required because space will be limited (please email jol@thirdamendment.com).

This primarily will be a social event, but we will have some updates on pending issues of general concern, including a presentation from the City on recycling, and hopefully the latest information on the summer's planned Metro shutdown.
