Virginia Legislative Update with State Senator Adam Ebbin and State Delegate Mark Levine

The RCA's next meeting will be held on **Thursday, March 22**, at the Commonwealth Baptist Church (700 Commonwealth Avenue) at 7:30pm.

Our guests will be State Senator Adam Ebbin, Rosemont's representative in the Virginia Senate, and State Delegate Mark Levine, Rosemont's representative in the Virginia House of Delegates.

As you may know, Virginia's 2018 legislative session ends in early March, so we will be provided with an update on developments in Richmond, of concern in Alexandria and statewide. For example, a major issue for the city are necessary updates to its sewer system, for which it hopes to obtain significant state funding.

We hope to see you there - please come with questions!
