Alexandria's New Stormwater Utility Fee

The RCA's next meeting will be held on **Thursday, June 21**, at the Commonwealth Baptist Church (700 Commonwealth Avenue) at 7:30pm.

Our guest will be Rachael Moxley, a City Engineer, for a briefing on the City's new Stormwater Utility Fee; starting this spring, it is a new line item on real estate bills (typically \$70, twice annually, for single family homes), to fund the increasing costs of state and federal Chesapeake Bay protection mandates. One of the pending issues for which the City is seeking public input is how the City can offer credits for residences that reduce their runoff impact.
