Traffic/Congestion Issues in Rosemont

When: Thursday, February 6, at 7:30 pm

Where: COMMONWEALTH BAPTIST CHURCH

700 Commonwealth Avenue

(enter at the back – Chapman Street parking lot)

The next Rosemont Citizens Association meeting will be held on Thursday, February 6 at 7:30pm at the Commonwealth Baptist Church, 700 Commonwealth Avenue. Our guests will be City staff including Christine Mayeur, Complete Streets Manager, to discuss traffic issues in Rosemont.

Some comments already have been provided via the Rosemont discussion list, but please come prepared to address specific issues and desired remedies (for example, solutions to address safety can cause congestion problems, and vice versa). Top of the list is congestion at Russell/King (including the traffic island at Cedar), but other intersections that have been mentioned include Rosemont/King and Braddock/Commonwealth.

Two background documents are a study of safety improvements near Maury Elementary (https://www.alexandriava.gov/uploadedFiles/localmotion/info/2017_2_27_Maury%20report.pdf) and planned improvements at Russell/King, with an emphasis on pedestrian/bicycle safety (<https://www.alexandriava.gov/localmotion/info/default.aspx?id=77933>).
