Volunteers for Holiday Committee

Please help us continue the new tradition established by (retiring) Sheriff Dana Lawhorne to recognize the best decorated houses in Rosemont

Traffic Issues to be Raised with the City/State

Seeking input on issues, new and old, so a consolidated set of concerns can be submitted; issues previously identified to the RCA include:

- Signal timing/turn lights at Mount Vernon Avenue and Braddock Road
- Better marking of the traffic island at Russell Road and Cedar Street
- Commonwealth Avenue/King Street light cycle modifications
- Trucks on Linden Street
- “HAWK” signals for crosswalks
- Additional parking restrictions on narrow streets/near crosswalks
- Allowing traffic stops for “minor” offenses – such as street racing (state level issue)

Also, the long-delayed King/Callahan/Russell project is now started to begin in April 2022
